BETWEEN

THE HONOURABLE SRI JUSTICE RAMESH RANGANATHAN

WRIT PETITION NO.21402 of 1997

ORDER:

The action of the respondents in not considering the case of the petitioner for absorption is questioned in this writ petition as arbitrary and illegal and a direction is sought to the respondents to interview and consider the case of the petitioner for the post of sub-staff without insisting that his name be sponsored by the employment exchange.

This Court while admitting the writ petition, by an order dated 9.9.1997 in WPMP No.26076 of 1997, directed the respondents to

consider the case of the petitioner and to allow him to be interviewed for the post of sub-staff along with all other candidates that may be sponsored by the Employment Exchange without insisting upon the petitioner being sponsored by the Employment Exchange, subject however to the condition that the petitioner fulfils the eligibility criteria.

Sri A.Bhaskarachari, learned counsel for the petitioner would submit that pursuant to the interim orders, the petitioner was considered and on his being found eligible and suitable, he was appointed as sub-staff in the respondent Corporation. Learned counsel would submit that in view thereof, no further orders are necessary in the writ petition.

In view of the fact that insistence of the name of a candidate being sponsored by the employment exchange denying consideration of all those who, though eligible, were not sponsored by the employment exchange, has been held by the Supreme Court to be illegal and inasmuch as the petitioner was directed to be considered without his name being sponsored by the employment exchange under the interim orders of this court, the interim order is made the final order in the writ petition and it is accordingly disposed of. No costs.
